

EXCEL COMPACT

AIR COOLED AIR CONDITONING

Package comes complete with;

- Outdoor Condensing Unit
- Wall Mounted Indoor Air Handler
- 25ft Pre-Charged Refrigerant Piping
- Integrated Digital Thermostat w/ Remote
- 25ft 18/2 Control Wire
- Step By Step Manual and Wiring Diagrams

Key Benefits:

- Re-Sealable Plug and Play Fittings
- All fittings are Brass (Rust Free)
- **Cool 3000 Watts!**
- Wall Mountable
- Built-in Heater
- Industries best support!

Plug and Play

Plug and Play refrigeration fittings make air cooled units simple to install by yourself; without the need of a costly certified installer. Each refrigeration line is pre-charged with the correct amount of refrigerant for your system. Just thread the fittings together and startup your system! The fittings are re-sealable unlike the generic units on the market, meaning, if you need to take your system out for servicing or relocating your unit no refrigerant is lost and can be simply re-installed.

Compact A/C

The Compact A/C is great for tight spaces and small places. It's very light weight compared to larger commercial units which means it can be wall mounted with ease. The Compact A/C is capable of cooling up to **3000 watts** and comes as a complete package ready to install without the need of a certified mechanic. For more information contact your local store or visit us online at www.excelair.ca.

Recommended Add-on:

- **Condensate Pump**– Pump condensation water from unit to drain source 20' away and 15' high.

| COMPACT | Package Specs | | | | Dimensions | | Sealed Room | |
|---------|---------------|--------|------|--------------|------------|---------------|-------------|---------|
| | Ton | BTU's | Amps | Power | Weight | Air Handler | Condenser | #Lights |
| | 1.0 | 12,000 | 10 | 115V | 150 | 7x37x10.5 | 26x31x10 | 3 |
| | 2.0 | 24,000 | 11.8 | 208/ 230V | 250 | 40.75x18x22 | 28x24x24 | 6 |
| | 2.5 | 30,000 | 15.1 | | 275 | 40.75x18x22 | 32x24x24 | 7-8 |
| | 3.0 | 36,000 | 18.3 | | 325 | 40.75x21.5x22 | 34x24x24 | 9 |
| | 3.5 | 42,000 | 24.5 | | 375 | 40.75x21.5x22 | 34x29x29 | 10-11 |
